SOSESKA TEPANJE

V objemu zelene narave, na robu naselja Tepanje, a vendar le nekaj minut vožnje do centra Slovenskih Konjic in streljaj od avtocestnega priključka Tepanje, se nahaja Soseska Tepanje, kompleks petih tri- in štiri- etažnih večstanovanjskih blokov.

Po najnovejših arhitekturnih smernicah zasnovana in kvalitetno zgrajena soseska svojim stanovalcem nudi 68 stanovanj ter dve enoti vrtca, kar pomeni, da je še toliko bolj privlačna za mlade družine, ki ji zagotavljajo mladosten utrip in energijo, ki ju drugje ni mogoče najti.

Bloki, umeščeni med velike zelene površine, imajo prostorna, svetla in zračna stanovanja, z odprtimi pogledi na zeleno Dravinjsko dolino. Vsa so zaključena s kakovostnimi materiali, na voljo v različnih velikostih in razporeditvah, od dvo- in tro- do štiri- sobne variante, kar zagotavlja, da prav vsakdo v soseski najde enoto zase in za svoje najbližje.
